Failure to comply could result in immediate removal from the event and the site, up to and including a permanent ban from any and all future Labrador Owners Club events. The decision to remove from an event is at the discretion of the LOC event organizers present in consultation with members of the LOC Executive. A permanent ban will be determined

after a thorough review of the incident by the LOC Executive. The person under review will be advised of the final decision upon completion.

- The same TCN must be used for all event entries for a dog until the dog is permanently registered or has an ERN.
- A TCN cannot be used for Listed Breeds with an MCN (Miscellaneous Competition Number) or dogs that will require a PEN (Performance Event Number) or CCN (Canine Companion Number).

TCNs can be obtained:

- [Online](#) through CKC’s Portal (Note: Individuals who have not yet used the online Portal will be required to create a Portal account before they can submit a TCN application online);
